A significant drop in the number of incoming tourists in Russia has been recorded. Last year, the number of tourists from Europe declined by 10 to 30 percent. Unfortunately, it is likely the situation will get worse. It is possible that the number of tourists visiting Russia this year will decrease by 50%.
While it is true that Russian officials made a number of speeches on the importance of developing the tourism industry, there is a sharp decline in the number of tourists from developed European countries entering Russia.
