

2012 Release on International Visitation to the United States

The U.S. Department of Commerce today released its 2012 report on International Visitation to the United States, which is now available on the Office of Travel and Tourism Industries website.

The report on 2012 International Visitation to the United States includes a brief analysis, 12 separate tables, charts and graphs outlining international visitor volume data for the following :

- Total International Arrivals
- Top Overseas Regions
- Top 50 Markets
- Comparison of Pleasure to Business Visitors
- Top Ports-of-Entry

Highlights from the 2012 International Visitation to the United States Report

2012 international visitation sets a new record to support the National Export Initiative. The United States welcomed 67 million international visitors in 2012, four million more than the year before-a seven percent increase over 2011.
