There are still 6 weeks left before we enter August, but if you plan to take a last minute trip to destinations like Girona, Alicante and the Balearic Islands you may get disappointed according to holiday rentals specialist Campaya.co.uk.
The latest availability status update among their inventory of 50.000 properties across Europe, shows that some of the most popular summer destinations are about to get sold out.
"We can't see any signs of economic crisis in our trade", says managing director, Claus Pedersen, from Campaya. "With an occupancy of 60-80% in some of the most popular destinations, we will unfortunately have to disappoint a lot of people in the coming weeks", he says.
