Over 474,000 tourists visited Ethiopia during the first nine months of the current Ethiopian fiscal year, the Ministry of Culture and Tourism said.
Public and International Relation Director with the Ministry, Aweke Tenaw told ENA that over 371.8 million US dollars revenue was secured from the visitors.
The number of tourists and the revenue secured during the reported period increased by 35 percent and 50 percent respectively compared to that of same time in the previous year.
